THE INTANGIBLE.

Our dream of life is as a strain  
On high-keyed violin;  
With penetrating tone distinct,  
High o'er material din.  
Could we but catch this spirit song,  
Elusive, make it real,  
Our days were spent,  
With life's intent,  
The full-bored life ideal.

### COLORED AMAZONS

On the Warpath Saturday Night—  
Probably Fatal Cutting

Fanny Washington of Morrison alley and  
Lizzie Moore of Poplar street, two colored  
women with police records, are prisoners in the  
County Jail charged with malicious cutting  
with intent to kill.

Laura and Cora Dale, two sisters living in a  
tenement-house Southwest of the L. and N.  
Bridge over Lexington street, are the victims  
of the knife wielders.

Saturday night between 10 and 11 o'clock  
the Washington and Moore women were stroll-  
ing—and evidently looking for trouble—in the  
vicinity of the Dales home. Presumably they  
were on the hunt of two colored men whom  
they suspected were being entertained by the  
Dales, and on approaching the house a vituper-  
ative war of words ensued, followed by a dare  
to come on the outside of the yard and fight  
it out.

It seems as though the challenge was ac-  
cepted by the Dale women, who were badly  
wound up in the fight that followed their ap-  
pearance on the public highway. Fanny  
Washington slashed Cora Dale with a knife or  
razor and almost severed her right breast, in-  
flicting a fearful and dangerous wound; Lizzie  
Moore played a tattoo with a sharp instrument  
upon the anatomy of Laura Dale, placing both

women hors de combat and subjects for the  
doctor.

Sheriff Mackey and Policeman Senteney  
rounded up the knife users.

### MEMORIAL SERVICES

An Excellent Sermon—Large and  
Appreciative Audience

A large assemblage greeted Rev. Rogor L.  
Clark, the eloquent divine, who delivered a  
sermon to the Civil War Veterans yesterday  
afternoon in the Auditorium at Beechwood  
Park.

His remarks were timely, beautifully pre-  
sented, and elicited the strictest attention of  
his hearers throughout, who evidently were  
well pleased and fully indorsed the essence of  
his sermon.

The choir, under the direction of Mr. G. N.  
Harding, furnished sweet music, and tended  
largely in rounding out the pleasures and de-  
lights of the occasion.

As the years go by the gray heads are fast  
disappearing from our midst, as is plainly  
evident in the many vacant seats formerly oc-  
cupied by those who are now tenting on the other  
side of the river. A few more years and the  
Grand Army of the Republic will have disap-  
peared, not a single member left of the vast  
host which went forth in '61 to battle for the  
right.

MR. ROOSEVELT seems to be taking life easy.  
THE fly lays four times a summer 80 eggs at a time. In other words, the nice little household nuisance is always laying for us.  
A CHICAGO professor declares "the King James Version of the Bible is obsolete." There are so many noble and virtuous things obsolete in Chicago that the public has ceased to even sit up when a new nincompoop bobs up with another obsolete proposition.

MARSE HENRI's animadversions upon who and what is a Prohibitionist, a Democrat, etc., have not clarified the political atmosphere even a little bit, and, after reading what he says, we all appear to be more or less tipsy on the proposition. Is that what the great Editor is playing for? To get us all drunk on the subject and then throw us out, like the brutal bartender? Odds bodikins! Go to! Hellandseat!

Her cousins, Mrs. Joseph Doniphan Felix, and the latter's daughter, Miss Bessie Felix of Louisville, participated in the Commencement celebrations. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that fails to cure. Send for list of testimonials.

Robert Moore, a Negro arrested on a charge of horse stealing, startled Abington, Va., with the confession that he murdered the young nephew of Mayor Hines of that town. The youth had been missing a month when his partly decomposed body was found.

Ensign Edward G. Hargis of Breathitt county, Ky., was declared insane in Justice Anderson's Court at Washington. It was arranged that he shall be taken home and cared for by his father, Senator Alexander Hargis, and that his wife, a daughter of Rear Admiral Hawley, shall receive \$100 a month out of his salary. Young Hargis had a fine record in the Navy until insanity overtook him.

The pretty and hospitable home of Miss Ellen Shanklin at Helena presented an animated and beautiful scene Saturday and Sunday, the occasion being a house party. Among the number from this city were Misses Pattle Carr, Scottie Worthington, Nettie Cook and Jennie Douglas Dohy, and Messrs. Morris Kirk, Will Rees, Baldwin Cartmell and Shanklin Piper of Carlisle.

## CLOCK WITH TWENTY DIALS

Tells Time All Over the World and Gives the Date

San Diego, Cal., has a wonderful clock, with twenty dials, which tell simultaneously the time in all parts of the world; also the days of the week and the date and month. It stands twenty-one feet high, and four of its dials are each four feet in diameter.

The master clock is inclosed in plate glass, says Popular Mechanics, so that every action can be seen, and the whole is illuminated every night. It is jeweled with tourmaline, topaz, agate and jade, and took fifteen months to build. The motive power is a 200-pound weight, which winds itself automatically. The cost of the clock was \$3,000.

## THE PENSION ROLL

Is a Very Large One and Shows Little Falling Off

Thousands of Civil War veterans die every year, but the pension roll of 1908 contained only 14,325 fewer names than that of 1893. Of course the Spanish War added a good many names to the rolls, but in the last fiscal year almost 11,000 pensions were granted on account of the Civil War.

The expenditures for pensions in 1890 were \$110,000,000; in 1900 they slightly exceeded \$142,000,000.

The appropriation for 1910 is about \$161,000,000.

In 1905 the average payment per pensioner was \$139.96; three years later it had risen to \$167.50.

The aggregate disbursements in pensions thus far has been \$3,500,000,000.

The movement at Cincinnati for more daylight by pushing ahead the clock two hours during the summer months and restoring it October 1st, has developed a new plan for accomplishing practically the same result in another manner. This involves including the State of Ohio in Eastern time, which is one hour faster than the present time.

## MORE PINKHAM CURES

Added to the Long List due to This Famous Remedy.

Camden, N.J.—"It is with pleasure that I add my testimonial to your already long list—hoping that it may induce others to avail themselves of this valuable medicine. Lydia E. Pinkham's Vegetable Compound. I suffered from terrible headaches, pain in my back and right side, was tired and nervous, and so weak I could hardly stand. Lydia E. Pinkham's Vegetable Compound restored me to health and made me feel like a new person, and it shall always have my praise."  
—Mrs. W. P. VALENTINE, 602 Lincoln Avenue, Camden, N. J.

Gardiner, Me.—"I was a great sufferer from a female disease. The doctor said I would have to go to the hospital for an operation, but Lydia E. Pinkham's Vegetable Compound completely cured me in three months."  
—Mrs. S. A. WILLIAMS, R. F. D. No. 14, Box 30, Gardiner, Me.  
Because your case is a difficult one, doctors having done you no good, do not continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial. It surely has cured many cases of female ills, such as inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, indigestion, dizziness, and nervous prostration. It costs but a trifle to try it, and the result is worth millions to many suffering women.

The green goods and vegetables you get from us are always crisp and fresh, because we buy from day to day only as much as we can sell. A lot of people didn't know how fine and tasty vegetables could be until they began to buy from us. You'll get the habit, too, when once you start. Begin today. The State Board of Equalization is somewhat concerned over the revelation of the fact, as shown by the books of the various County Assessors, that there are only 1,712 diamonds in Kentucky. People who are compelled to pay tax on tangible property think there is a grand opportunity for reform in this direction. The next Legislature will probably be asked to consider this matter.—Georgetown Times.

### DON'T EXPERIMENT

You Will Make No Mistake if You Follow This Advice

Never neglect your kidneys.

If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and not time to experiment. These are all symptoms of kidney trouble, and you should seek a remedy which is known to cure the kidneys.

Doan's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases in this vicinity.

Can Maysville residents demand further proof than that contained in the following testimonial?

Mrs. Mary C. Evans, Vanceburg, Ky., says: "I had troubles by disordered kidneys for fifteen years. My back was very lame and I suffered from a great many other symptoms of kidney trouble. Doan's Kidney Pills helped me more than anything I had previously used and I am therefore pleased to recommend this medicine to other sufferers."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

In April a railroad official ordered that a pair of robins and their nest on a truck of a car in New Jersey be not disturbed and a record of their movements be kept. The robins were heard from in Indiana, after a 1,564-mile trip, the birds being still on the job.

The excellent, enlarged picture of Council No. 1377, Knights of Columbus, to be seen in the window of Miss Sallie Wood's Drugstore, is a remarkable achievement in the photographer's art. Every face of the large assembly is shown with such accuracy as to be recognized at a glance. The artist, Mr. D. N. House, is being congratulated on the excellence of this work, which picture, beautifully framed, he has given as a mark of esteem to the local Knights of Columbus.

We have plotted, planned and figured, worked from morning till night, seeking for a medicine that will take the place of Hollister's Rocky Mountain Tea, but we can't find it. Tea or Tablets, 3 cents. Thos. J. Chenoweth.
